## NEWS FROM THE WEEK

Our Hertfordshire Improvement Partner Rob Price was with us on Wednesday to look at teaching and learning across the school. Rob makes 3 visits a year to look at various aspects of the school; this provides Governors and staff with an external view of how we are getting on. Rob was most impressed with the children's attitudes to learning and the progress made by them this year, he confirmed that we continue to be a 'Good' school.

All my thanks to the staff team for their hard work, for the governors for their support and to all parents for all that you do to support us and to support your children's learning.
