## UNIFORM REMINDER

From September, it is compulsory to wear the new Wareside uniform which can be purchased from Kids Connection in Hertford, as seen at the moment in the shop window!

## IN EARLY YEARS .....

Everyone has had fun exploring the giant's castle in Jack and the Beanstalk and writing their own books. The children counted his money and the golden eggs and subtracted (took them away) just like Jack. In our music session we made the giant's and Jack's footsteps with instruments as we retold the story.

We invited new parents and children to visit Wareside and on Thursday the children all practised being in their new year group and classes for September. There was lots of excitement! Now we can't wait for September.

## MUSIC ASSEMBLY

It has been wonderful to see so many children learning to play the piano and guitar this year. The music assembly was a fantastic opportunity for the children to showcase their learning with Mrs Hemmingway. The staff were so proud of the children. A remarkable achievement.

## MAGIC BREAKFAST LAUNCH – 'FUEL FOR LEARNING'

Thank you to all that joined us for our special Magic Breakfast launch on Monday 8th July. Children and parents enjoyed choosing from a great range of nutritious breakfast options and the children that attended were all very positive about the experience.

**Please do remember that from September our Breakfast Club will be open every day from 8am-8.45am and the first 3 weeks are free to all families. This is such a wonderful opportunity for all families and I hope you too are excited!**

## CLASS 2 PERFORMANCE

Class 2 treated us to a wonderful show last Friday. It was wonderful to see the children having so much fun and showing great courage performing in front of a large audience.

A special thank you to Mrs Barton for providing some particularly special photos of some of our Year 6 children when they were in Early Years! It was an emotional moment for many.

Thank you also to Mrs Wheeler for working so hard with the dance group every week. It really was a lovely community event.

Thank you to the Friends for your continued support to the school and working so hard to provide further fun on the field after the performance.

Thank you everyone for your contribution in the many ways you helped to raise a massive £545.30  
Absolutely fantastic!

## HUNGRY LITTLE MINDS CAMPAIGN

**Hungry Little Minds** is the new Department for Education campaign that encourages parents and carers to adopt positive activities and behaviours to boost children's communication, language and literacy development. The three-year campaign, which launched with social media and online adverts in July, aims to help parents understand that they have a massive impact on their child's learning. Reading, playing and chatting with them are simple things they can do to help them develop, even when they are too young to say much back. Parents can

access tips and activities from <https://hungrylittleminds.campaign.gov.uk/> and also search for activities in their area using a new postcode finder service. Organisations are encouraged to support the campaign, share content on social media and link to the campaign website from their sites, making it easier for parents to get the latest advise.
