EARLY YEARS FOUNDATION STAGE

A lot of fun has been had in Early Years over the last few weeks. Two weeks ago we were celebrating Harvest and reading Percy the Park Keeper. This week we have been learning about Diwali, the festival of lights. We dressed up, and Miss Baigent demonstrated some Bollywood dancing and the children joined in.

We made some Indian sweets called Barfi. They were delicious!!! (Yes they were! Mrs Duffy).

CLASS 1

This week, Class 1 has been busy writing postcards. Today, we walked to the post box and posted them. Please look out for one in the post from your child.

We have also sent home a blank, stamped postcard in your child's bag for them to send to us during half-term. They can write about anything at all that they have done over the holidays

CLASS 2

The children have been busy looking at coastal formations; they created salt dough to demonstrate the stages of coastal erosion. As part of their science topic, Gas, solid and liquids, the children measured the melting point of chocolate and investigated the air pockets of fruit and the effect this has to whether they sink or float.

FRIENDS

Thank you to our amazing supporters shopping online with easyfundraising.

Your support really does make a difference, so don't forget there are 3,300 shops and sites you can raise free donations with.

Please make sure you shop the easyfundraising way every time you buy something online: waresidecofesch

MRS GRACE

It is with sadness that we announce that Mrs Grace, who has been for many years one of our valued team of teaching support staff, has retired from work at the school on grounds of ill health. She started working in the school on 25th September 1995 and has been deeply involved in the education of countless children throughout her career. Indeed, the length of her service to the school means that one of the children who benefited from her help and care in the early days is now a parent whose child has also profited from her assistance! We are very grateful to Mrs Grace for everything she has done over the years which has brought blessing to the whole school community and we wish her both a speedy recovery to full health and a very happy retirement.
