RANGER STU VISITS WARESIDE!

Today Ranger Stu who owns Cedars Nature Centre in the grounds of Cedars Park in Cheshunt, brought a fantastic range of animals in to show the children. He taught us all about the different animals and all the children had an opportunity to take part. Class 1 are learning about different types of animals in Science and were prepared with a range of questions for Stu and Class 2 are going to be writing reports based on his visit. EYFS are now buzzing from such a fun hands on experience! We would like to say a big thank you to the Friends for paying for Ranger Stu's visit. This enabled us to offer this exciting experience as a free workshop for children in school.

BRIGHT BE SEEN

In Collective Worship this week, we discussed what we can wear to help drivers spot us in the dark or poor weather conditions when out and about. Children enjoyed spotting reflective bands on their book bags! Please discuss this further at home.

EARLY YEARS FOUNDATION STAGE

During Anti Bullying week the children designed and made sock puppets to help them understand that we are all different and we celebrate difference. They practised using kind words and thought about what it means to be a good friend. Please take a look at our display in Early Years and outside the school office to see their work.

As part of anti-bullying week, children enjoyed wearing odd socks to help us realise we are all special and unique. Children participated in a range of activities in class to support our theme, 'Change Starts With Us'. Thank you for all your donations.

BREAKFAST CLUB

Breakfast club have been busy! We made wrist bands for Anti Bullying week using the slogan 'Change starts with us'. We also made a tower of Pudsey Bears for Children in Need.
