PHSE

Body language awareness- empathy with others.
Feelings and emotions: Jealousy; Anger; Worry.
Being responsible: Helping someone in need

History/Geography:

Dinosaurs

- To understand what the world was like before dinosaurs existed and that dinosaurs inhabited this world a very long time ago.
- To observe and recognise some characteristics of dinosaurs and understand that dinosaurs can be grouped according to observable similarities and differences.
- To understand that fossils help us in the present time gain knowledge about long ago.
- To understand what a palaeontologist is.
- To learn about the life of Mary Anning and understand what makes her a significant person.

Art / Design Technology

- Art skills: Sketching and using water colours - dinosaurs
- Making salt dough fossils
- DT: making and evaluating flying dinosaur puppet
- Food Tech: Herbivore menu! Preparing a salad.

Science

Living things and their habitats

- Differences between living, dead and things that have never been alive
- Habitats of living things
- Exploring how animals rely on each other and food chains.
